CONTRACT PROVISIONS AND CONSIDERATIONS:

Please provide options to include terms that deliver service on July 1, 2018. All proposals/contracts may include language that allows for the termination of any resulting contract if funding from a previous application is approved. Similarly, contingencies may be proposed within new contracts to address existing contract(s) that may not be funded. Contracts may allow for the termination or disconnection of service without penalty.

Contract Requirements:

- Both parties must be clearly identified (please include physical addresses of the locations that services may be delivered),
- Both parties must sign and date the contract (if possible, please submit a signed and dated MSA with proposal as this will expedite the review process and allow the applicant to focus on service orders),
- Contract must specify type and term of service (duration),
- Contract must have specific pricing of the services to be provided (if possible, please include growth options).

Note: Applicants with evergreen contracts are permitted to add new locations, exercise voluntary contract extensions, and upgrade services without additional competitive bidding, as long as those

options were contemplated in the original competitive bidding process, and the contract explicitly provided for them. An applicant must initiate a new competitive bidding process for any contract modification falling outside the scope of its evergreen contract.

BANDWIDTH / SERVICE OPTIONS:

Reliability and quality of Internet access requirements may vary to each location. However, it must be stable. Primary and backup options shall be considered. At minimum please provide options from 10MB to 250MB, including 100MB options at the Administration Center and the Wellness Center. The connections at the Administration Center and Wellness Center should provide access to the Medical Network and the Internet. Service may be provided via MPLS or a similar technology.

At minimum the applicant plans to seek Rural Health Care support for services around 100MB at:

Kenaitze - Dena'ina Wellness Center (508 Upland Street)
Kenaitze - Administration Center (150 North Willow)

Please include proof of the rural and urban rates in your response.

Ineligible costs shall be cost allocated from funding requests – please identify ineligible costs.

PRESENTATION OF PROPOSALS:

The applicant prefers that proposal be uploaded to the appropriate opportunity located at: http://adsadsi.com/itb_year_21.shtml. **On site presentations are not necessary.**

Request File Format: Please upload in Portable Document PDF. If you need to submit other file types please email them to KIT@adsadsi.com and reference the applicant’s HCP and Project Number.

If you have questions or problems submitting your response please email KIT@adsadsi.com.

RED LIGHT RULE:

Any service provider, or the sub-contractor of any service provider, who is currently under, or has reason to believe that they may have a red light status under, the “Red Light Rule” by the FCC must disclose that information in this proposal. If any service provider, or the sub-contractor of any service provider, is found to have a red light status under the FCC “Red Light Rule” during the term of this contract, this contract may be immediately terminated.

LOWEST CORRESPONDING PRICE (LCP):

Service provider warrants they have reviewed all FCC, USAC and SLD information on Lowest Corresponding Price. Service provider warrants they are offering, and will continue to offer for the term of this contract, the Lowest Corresponding Price on all goods and services included.

BILLING:

With respect to service, the Applicant prefers to pay their share and it is requested that the service provider “carry the reimbursed share” until the FRN is funded. The Applicant agrees to promptly pay its share and to do its part in working to assure funding, to include responding to all USAC inquiries.

If allowable by program rules, please indicate if your company is willing to waive any or all prorated fees that may be assessed due to Rural Health Care Funding Cap limitations.

QUESTIONS:

All questions shall be posted to http://adsadsi.com/itb_year_21.shtml. Please visit the website and click on the Q/A link associated with the Applicant’s Form to submit a question. In addition, please click on the Q/A link associated with this application to review all questions asked and answered. Please remember that questions submitted within 3 business days of bid due date may not be answered.

If you do not have a question, but would like to stay current with questions asked and answered, please visit the website and click on the Q/A link associated with the Applicant’s Application and submit a request, in the form of a question, to be added to the question and answer distribution list. If you submit a question you are automatically added to the distribution list for updates.

Questions asked in any other method than the acceptable method as described above may not be answered. To reiterate, questions submitted via text, E-mail, or asked via a telephone, or left on a voicemail may not be answered.

If you have questions or problems submitting your questions please email KIT@adsadsi.com.

EVALUATION CRITERIA:

The applicant shall choose the most cost-effective service provider, which is defined by the FCC as, “the method that costs the least after consideration of the features, quality of transmission, reliability, and other factors relevant to choosing a method of providing the required services.”

Criteria	Percentage
Cost	35%
Technical Support	20%
Leverage Existing Resources	20%
Reliability of Service	10%
Contract Provisions	10%
Project Management Plan	5%

DISQUALIFICATION OF SPAM RESPONSES

It is the intent to disqualify SPAM based responses. If your response is classified as one or more of the following it shall be disqualified.

- 1) If the response is general in nature, meaning specific data concerning the request is arbitrary or not well defined within the response. The applicant is not seeking a laundry list or price list of services. Quantities should be listed and calculated, along with taxes, fees and surcharges. If taxes, fees, and surcharges are not presented, the applicant may estimate for the purpose of cost comparison.
- 2) If multiple options exist, or may be provided (but are not requested), and the applicant is left trying to discern between the various options. For instance, if POTS lines are requested, do not respond with a SIP solution. If you have questions, please ask them as outlined within the ITB.
- 3) The proposal sent must be binding and include signatures for acceptance by all parties.
- 4) Proposals may not include endless loop terminology. In other words, proposals offering to beat the lowest current or final proposed presented shall not be accepted. Firm fixed pricing must be presented.

THE ADS ADVANCED DATA SERVICES, INC. ROLE

ADS works to help manage and memorialize an open and fair application process for support under the Rural Health Care Program. The ADS work effort is designed to provide a fully documented audit ready work product. ADS helps assure all potential service providers have access to the same information concerning service needs.

ADS Advanced Data Services, Inc. does not evaluate Service Provider Service Offerings – The Applicant is responsible for selecting all Service Providers (see evaluation criteria). ADS shall not recommend Service Providers.

If you have a proposal, or optional packages, please provide details and the eligible Applicant shall evaluate all options to select a winner. Pricing specific to the Applicant's requirements must be included for an evaluation to be completed. Please make sure any and all required Contracts or Statements of Work are authorized AND included in your response. If the Applicant has a question on your service offering, terms, and/or pricing, clarification may be sought.
