Bandwidth		20	Network Design, Diversity between Primary and Secondary
Contract modification provisions		20	Service Start Date / Flexibility and Provisions

Does the HCP have any disqualifying factors that will remove bids or bidders from consideration?: Yes

Disqualifying factors:

If the organization proposing an option is reselling a service ("Reseller"), the Reseller should be authorized as such, if not, the offer may be disqualified. It is the goal for primary and secondary services to be provided by different technologies and/or service providers. For example, a best effort asymmetrical service such as a LEO or Cable Modem Internet Offering may be evaluated as the Secondary Service if the Primary Service is a Dedicated Symmetric Internet Access product. We prefer to evaluate all offers. SPAM based offers and/or Bid Responses inconsistent with the requirements described within the Invitation to Bid may be disqualified - the failure to provide requested information or documents may disqualify an offer. Bid offers shall be submitted accordingly or they may be disqualified. Offers submitted late shall not be considered and finally, failure to provide signed documents may disqualify an offer for services sought.
